Waco Outreach Foundation

Mission Statement: The purpose of the Waco Outreach Foundation is to manage the old Hoffman Banana building and surrounding land located at 3rd & Webster and to use the property in a way which will benefit families who reside in McLennan County as well as the students enrolled in the public schools and colleges located within McLennan County.

The facility provides several different types of services for the families of McLennan County, as well as college age and high school aged youth. All WOF services will be available to individuals without consideration of race, creed or religion. Volunteer efforts will be performed by WOF volunteers and volunteers from other local organizations. Our focus is to assist the residents within McLennan county.

It is our goal to ensure that the WOF is not simply a duplicate of other local outreaches which are already doing a wonderful job in their respective endeavors, but to provide fresh ideas which meet the needs of McLennan County families and students.
