

HOFFMAN HALL

The old Hoffman Banana Company building is now owned and maintained by the Waco Outreach Foundation.

One portion of the building has become the Hoffman Hall. The hall has been designed to be used as an auditorium where W.O.F. can provide free musical concerts geared towards college & high school aged youth. It is also available for youth meetings, special speakers and other various special events. The auditorium is available to all McLennan County youth without consideration of race, creed or religion.

During concert events T-shirts, music CD's, posters and other band paraphernalia will be made available for purchase by attendees. Soft drinks and snacks will also be available for purchase. This will help raise funds for W.O.F. as well as increase the sales tax base which will benefit McLennan County. We intend to have a concert occasionally featuring leading local artists, which will not be a free concert. This will help raise funds for W.O.F. as well as bring in even better talent.
