

Operation Assist

Family Commissary & Pantry

The "Operation Assist" is a family oriented commissary where used clothing and other household articles are made available to lower income families residing in McLennan county. A food pantry stocked with canned goods and dry goods is also included.

The "Operation Assist" commissary and pantry is available only to McLennan county residents, and is geared towards families. Access is granted only to individuals who can show a photo ID, and also a proof of residence such as an electric bill, or water bill. The Waco Regional Baptist Networks' "Operation Assist" organization is manning this area for the Waco Outreach Foundation.

This service differs from existing services in that the goods provided are free of charge as opposed to being available for a fee. Also, some of the other downtown outreach services are geared towards the homeless population. It is the intent of W.O.F. to focus on local Waco resident families who are not homeless, but rather just need some supplemental help.

Hours of operation are Monday , Tuesday & Thursdays 8:30AM - 11:00AM. Please call (254) 752-6315 for more information.

Healthcare Equipment Lending Service

"Operation Assist" also includes a lending service of various types of medical equipment. This equipment is available on a lend basis to those in need.

Available equipment includes:

- Wheelchairs

- shower chairs

All of the medical equipment we have has been donated, and we always have a need for additional equipment!
